St John - Patron Saint

St John is the Patron Saint of our Parish Community:

Our Parish Community encompasses the Brunswick Valley, incorporating the churches of St John's Mullumbimby, Our Lady of Lourdes Brunswick Heads and Holy Cross Billinudgel (now closed), their surrounds and the area of Ocean Shores.'

St John was known as both John the Beloved Apostle and John the Evangelist.

In his early life John was a fisherman in the Holy Land. He and his brother James had become followers of John the Baptist before Jesus called them to be His disciples. Both chose to leave their nets and become followers of Jesus.

John witnessed the love Jesus had for all people. He saw Jesus heal the sick and give hope to the broken-hearted. John was impressed by Jesus' teachings and believed deeply in the love of God. As time progressed, John, his brother James and the apostle Peter, became close friends and faithful companions of Jesus.

John stayed with Jesus during His Passion and death, especially to console Mary. Jesus entrusted His own mother to John's care.

After Jesus' death and resurrection, John preached in Palestine for many years. At the age of ninety years, he wrote his Gospel to prove that Jesus was God as well as man.

The example we take from St John is one of love for God and trust

in his teachings. In many ways our mission statement is inspired by the life and experiences of St John.

“We hope to lead our parishioners, teachers, parents and children to a deeper understanding of God in their lives, through the teachings of Jesus, stories, traditions of the Catholic Church and through the experience of being part of a caring Christian community.”
