40 years of Consecrated Life

On Sunday February 7, 2016 we celebrated the end of the 'Year of Consecrated Life'.

We also took time to acknowledge the tireless work of the Sisters of St Joseph who have been present in the Brunswick Valley since the early 1900's.

Sr Maureen McDermott rsj who is the Pastoral Associate from the Order of the Sisters of St Joseph celebrates 40 years of Religious Life. She renewed her Religious Vows and shared some of her thoughts on the 'Year of Consecrated Life' at the Mass and morning tea.

"The Church must be attractive. Wake up the world! Be witnesses of a different way of living and being! It is possible to live differently in the world... It is the witness I expect from you!" - Pope Francis
