

Year of Consecrated Life

On Sunday February 7, 2016 there will be a celebration of the end of the 'Year of Consecrated Life'.

Here in the Brunswick Valley we have seen the tireless work of the Sisters of St Joseph in our school, our Parish and the wider community.

Today we have Sr Maureen in our midst and she show us a wonderful example of Consecrated Life for the last 40 years.

Come, pray, reflect and celebrate a special Mass with us on this day. Sister will renew her Religious Vows and share some of her thoughts on the 'Year of Consecrated Life'.

Join us afterwards for morning tea at the Presbytery which will be open to all.
