

World Day of Prayer 2025

"Cook Islands"

Theme"I Made You Wonderful"

Psalm 139:14

WDP is a worldwide movement of Christian women of many traditions who come together to observe a common day of prayer each year.

Each year a different country prepares the services highlighting its culture, joys and problems. The Cook Islands have prepared the 2025 service.

In March 2025 The World Day of Prayer for the Brunswick Valley will be coordinated by the St Johns Parish so we are calling on parishioners for any help you can offer.

Eg. Has anyone visited the Cook Islands or knows of someone locally who may have lived there? Or is there someone who has a special interest in our Island neighbours? Anything would be helpful.
